

Pragathi nagar, an Urban Village in Kukatpally Medchal district close to Hyderabad is known for its all sorts developmental activities, run by some self len people who strived for the development.

Since 1995 it has been on its way to serve the people by giving education, Health and Old age homes for the needy through 'People' Progress Trust'

Education is very important for the society. At least one educated member in each can change the family as well as the whole society.

Even after 72 Years of Independence, through India achieved great success in science and Technology, still in backward position, Providing education to the down trodden in the society, still fore way from complete literacy. At this juncture Peoples progress Trust established a fully furnished English medium school and has been providing education to nearly 508 downtrodden, abandoned children starting from 5th class till Post graduation. I has been providing boarding besides education by highly skilled & trained teacher. The students are being trained to make themselves self sustained, to fulfill all their needs like cooking, cleaning and washing for themselves to get acquaintance with the dignity of labour, The students are provide the balanced diet, consisting leafy vegetables, eggs and non-veg besides brown rice (expensive) to give equal importance to mental and physical development of the students. It has been providing medical facilities through peoples hospital for the students, required.

It has been maintaining a library to develop scientific and cultural temper among the children. Field and educational trips for the overalls development for the children.

Establishing a religions cast, gender free society is the one and only aim of the Peoples Progress Trust

Students need to be guided by themselves to be away from poverty, Irreligious and try to find out the ways to overcome all this
